Helsinki, 8 April 2020

According to the Guidelines for Border Traffic Finnish Border Guard officials allow returning transit traffic to other EU or Schengen country or via them:

- Nationals of EU and Schengen countries and their family members
- Third country nationals residing in another EU or Schengen country with residence permit

Thereby, I kindly ask you to allow Estonian citizens/residents to board the plane heading for Finland as they are on their way home to Estonia (transit passengers). They will continue their trip from Helsinki to Tallinn by ferry or by plane.

The person in possession of this document is aware that he/she has to travel directly to his/her place of residence in Estonia.

Thank you in advance for your cooperation,
